MERLIN REMOTE SLIM KEYRING 4 BUTTON COVER BLACK E950M

### Description

Genuine Merlin® 4 button keyring slider remote. Key ring remote transmitters are small and convenient with the ability to operate up to four doors or gates from the one unit. A must have for every set of keys in the house. Slide cover protects buttons from accidentally being pressed. Simply slide back to expose the buttons. The code between the remote control and the receiver changes with each use, randomly accessing over a billion new codes. Suitable for use with MRC950EVO, MR850EVO, MR650EVO, MR550EVO, MT3850EVO, MT100EVO, MT120EVO and MT60EVO model doors.
