Can be coded alike

No keys to lose

All Weather

Rustproof versions available

100,000 combinations CP60

10,000 combinations CP50 and CP40

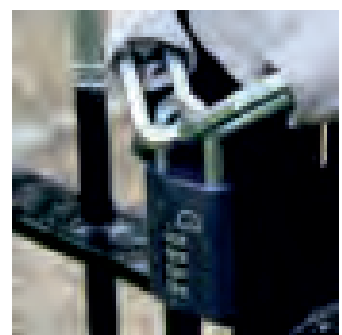

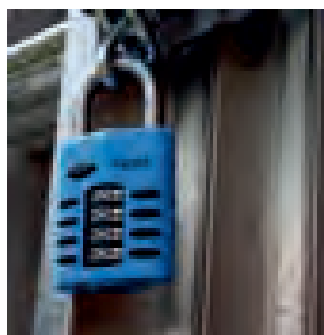

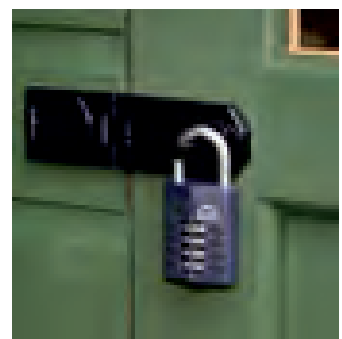

1,000 combinations CP30

Unique in design, our combination locks are manufactured to the highest standards for quality performance. Easy to use, they are fully recodable and a number of locks can be coded alike so that one code opens several locks. Many of our locks are patented and have individual design features to improve performance and security.

Uses

Sheds, cupboards, storage areas, cabinets, lockers
